Germany

1 About this Document

This document is intended for qualified employees responsible for installation and maintenance (administrators, installers, maintenance technician, service, operator). It contains information on using the component.

The original language of this document is German.

⚠ Caution

Risk of injury/property damage

This document does not provide sufficient information on the replacement/installation of the component in the spindle. Faulty installation can influence the calibration values or the rundown result. Faulty rundown results can lead to injuries and/or material damage.

- ▶ Only replace the component after the safety notes in the Assembly Instructions and Maintenance Instructions have been read and fully understood.

Note

Loss of warranty

Repairs may only be carried out by personnel authorized by Apex Tool Group.

- ▶ In case of repair, send the complete component to Sales & Service Center!
